BUILDING ACTIVITY SHOWN BY CLUBS AND CHURCHES

Work Under Way or Planned by Various Institutions; Means Big Expenditure

In keeping with Glendale's phenomenal building growth, which far outstrips that of any other city of the size in the United States, it is noted that there are in Glendale at present, either already under construction or about to be erected, various church and club buildings which will add approximately a half million dollars to the city's assets.

Following is a brief resume of the present and near future building program which will help to beautify the city:

Catholic Church

The Catholics of the community have almost completed the building of a large and elaborately decorated Spanish style church, occupying the frontage on Louise street from Elk avenue to Lomita avenue. The building, which will be finished with art glass windows, statuary, a gorgeous carved stone front and various other improvements, will cost a total of approximately $75,000. It will have a seating capacity of about 550, according to the contractor, S. E. McRae.

Presbyterian Church

Another church building is that proposed by the First Presbyterian congregation. The edifice will be built on the northwest corner of Harvard and Louise streets, and will cost $150,000. It will contain a main auditorium with a seating capacity of 1,500 and a Sunday school department which will accommodate 1,000. An architect will be chosen today by the building committee of the church and actual work on the project is to start within a few weeks. Those in charge of the building are W. G. Clendenin, chairman; H. L. Finlay, R. T. Isitt, James Cooper and W. S. Perrin.

Central Christian Church

The present location of the Central Christian church has been chosen by the building committee of that congregation for the site of their new house of worship. The building, which will front on Colo-

G. W. Flickinger Is Visitor In Glendale

Mr. and Mrs. Nathan Rigdon of 224 West Doran street had as their guest yesterday G. W. Flickinger of San Diego. Mr. Flickinger sold out his interests in San Diego about a year ago and went back to Buffalo, N. Y., his former home, intending to remain there permanently. But, the lure of southern California could not be resisted, and he and his family have returned. Although at present he is temporarily located at San Diego, he is making tours of inspection to various cities in southern California and may decide to locate in Glendale. While Mr. and Mrs. Rigdon were making a tour of eastern cities last year they visited the Flickingers at Buffalo.

Glendale Folk Enjoy Outing at Pacoima

Among the many delightful trips enjoyed by Glendale folk during the past week-end was the Sunday outing and picnic held by a number of young people at Pacoima canyon. Two machines carried the gay party to its destination, which was reached just before noon.

Besides the usual delicious picnic dinner the happy group enjoyed the afternoon in music, games and hiking. Those making up the party were: Mr. and Mrs. A. J. Van Wie and two children, Mr. and Mrs. Ed Fairfield and son, Misses Minnie Thompson and Celine Moniot and Messrs. Ed Moniot and George Meyers.

Daniel Campbell Is Planning Varied Trip

Mr. and Mrs. Dan Campbell of North Highland avenue have received word from their son Daniel, who has been at Camp Humphreys, Virginia, in company with a group of boys from the California Institute of Technology at Pasadena, saying that they broke camp a week sooner than was anticipated. Just before breaking camp General Pershing came and reviewed the boys.

Daniel Campbell and chum are going to visit Washington, D. C., New York City, Niagara Falls and other cities and will come home by way of the Canadian Pacific, expecting to arrive here about the middle of August.

LEGION DELEGATES HOLD SESSION TO TALK ISSUES

Preparations Being Made for State Convention; No Bouts In July

The first meeting of the delegates of the local post of the American Legion, who were recently elected to represent Glendale at the annual state convention next month, took place last night at the Legion hall on East Broadway. As there were no new issues to be brought up, however, the session was adjourned until next week.

So far the only issue that will be presented by the Glendale delegates at the state gathering will be that regarding compensation from the federal government. Several other resolutions are being planned, however, and they will probably be adopted by the committee at a later date.

This year's convention, which will be held on August 22-26, will take place at Yosemite and is expected to attract thousands of Legionaires from all parts of California. Each separate post throughout the state will be represented by a certain number of delegates in proportion to its membership.

To Have Five Delegates

The local organization, which boasts of a membership of 166, will be represented by five delegates and five alternates. Those who will probably make the trip from here are Emil Kiefer, post commander; James McBryde, Dr. Kaemmerling, Jesse Flower and W. B. Kelly.

It has been announced during the past week that the regular monthly boxing program, which was scheduled to take place on next Friday night, has been officially called off. This action was taken on account of the fact that so many of the Legion members and other Glendale fight fans are away on vacations. Al Bullis, who is chairman of the fight committee, is already making plans for the August bouts, which will take place on the last Friday night of next month. From that time on the regular monthly schedule will be resumed.

Thomas R. Goodman, Age 50, Dies Tuesday

Thomas R. Goodman, who with his family came to Glendale from Pittsburg, Pa., about a year ago, passed away Tuesday morning, July 26, 1921, at 9 o'clock, aged 50 years. He had been ill for the past five months, having been stricken with paralysis, which caused his death.

Mr. Goodman leaves a widow, Mary Goodman of 500 East Maple street, and four sons, Ralph Goodman, who is employed in the city engineer's office, Raymond, William and Leroy. Mr. Goodman was a member of the Foresters of America and also of the Protective Home Circle. He was also affiliated with the Episcopal church.

Funeral services will be held Thursday morning at 10 o'clock at the Sutch chapel at 842 South Figueroa street, Los Angeles, with interment at Forest Lawn cemetery.

J. B. Cunningham Is Called Away Suddenly

J. B. Cunningham, who has been employed as meat cutter by the Glendale market for several months, left this city yesterday on a hurried journey to Gainsville, Texas, where his mother is reported to be dangerously ill. An hour after he had received the telegram telling of the news Mr. Cunningham was on a car speeding to Los Angeles, where he boarded the first train to Texas.

Mr. Cunningham came to Glendale in November of last year and in that time has made a host of Glendale friends, who are hoping for his speedy return.

Mr. and Mrs. Andresen Recent Arrivals Here

Mr. and Mrs. O. W. Andresen are recent arrivals in Glendale, having come here from New York City. They are now domiciled at 1241 South Central avenue and Mr. Andresen has become associated with the J. A. Newton Electric company. The Andresens are friends of A. L. Baird, having been associated with him in a chain store system operating out of Chicago.

VISITING IN VENTURA

Elizabeth Hall, daughter of Mr. and Mrs. F. G. Hall of 1201 Viola avenue, is visiting friends in Ventura.

Realty Dealers Must Have Federal License If Merchandise Sold

Throwing a bombshell into the peace of mind of Glendale Realty dealers, Attorney James F. McBryde is authority for the statement that they have but a few hours left in which to pay a federal broker's license tax for selling furnished houses, grocery stocks, etc.

At the federal building in Los Angeles the attorney found hundreds of realty men rushing in with their license fees, as it is said they become past due shortly. The law went into effect on January 1, 1919.

Following is the section of the law applying to brokers, which includes real estate dealers in its comprehensive language, according to the authorities:

"Brokers shall pay $50. Every person whose business it is to negotiate purchases or sales of stocks, bonds, exchange, bullion, coined money, bank notes, promissory notes, other securities, produce or merchandise, for others shall be regarded as a broker. If a broker is a member of a stock exchange, or if he is a member of any produce exchange, board of trade, or similar organization, where produce or merchandise is sold, he shall pay an additional amount as follows: If the average value during the preceding year ending June 30, of a seat or membership in such exchange or organization was $2000 or more but not more than $5000, $100; if such value was more than $5000, $150."

Living Models Will Be One Feature of Merchants' Display

Living models will present the newest fashions at the Glendale Merchants' Exposition, August 27 to September 3. Ready-to-wear dresses, millinery, footwear, children's wear, hosiery, lingerie and—yes—bathing suits.

The entertainment features will be changed every day which will give the exposition a kaleidoscopic effect seen only in the larger cities. Entertainers from the film studios and artists of renown in Southern California will appear in the big exhibition tent.

There will be souvenirs and prizes given away daily by the merchants and the Chamber of Commerce also will set up a list of prizes that should prove attractive. Here is what H. Elmo LaBreque, director general, says regarding the coming show:

"The purpose of the exhibition is to concentrate under one roof samples of the various business activities and service of Glendale merchants, all presented in interesting and unique ways, with the slogan, 'Buy it in Glendale if it is just as good or better and costs no more.'"

William L. Kemp, 77, Dies; Services Today

William L. Kemp of 1951 South San Fernando Road passed away Tuesday morning, July 26, 1921, at the age of 77 years. He leaves a widow, Susan P. Kemp, two sons and two daughters.

Mr. Kemp was born March 28, 1844, at Belmont, Ohio. He had been a resident of Glendale for two years, coming here from Hollywood. Mr. Kemp had resided in California for the past eight years. Before coming to this state his home had been in Brookfield, Missouri. He was a member of the G. A. R. of Los Angeles and was affiliated with the Christian church.

Funeral services will be held at 3 o'clock this afternoon at the Little Church of the Flowers, Rev. James H. MacIntyre of Los Angeles officiating. L. G. Scovern Undertaking company is in charge.

Miss Harriet Barnes Is Luncheon Hostess

Miss Harriet Barnes of 1311 North Brand boulevard entertained Tuesday with a dainty pink and white luncheon in honor of Miss Hester and Miss Deth Nelson, who have lately come to Glendale to make their home. The guests invited to meet the newcomers included Miss Dorothy Roberts of Long Beach, Miss Elizabeth Stumm and Miss Caroline Nelson of Pasadena, Miss Lucile Nichols and Miss Mildred Nichols of Los Angeles, Miss Jane Dennis of Orange, Miss Luella Lockwood of Los Angeles, Miss Mary Logan and Miss Pearl Pollock of Glendale.

Mrs. Edith Dockeray Hostess for W. C. T. U.

The Glendale W. C. T. U. will hold their all day picnic at the home of Mrs. Edith Dockeray, 723 South Louise street, near Windsor road, on Friday of this week, July 29. A fine program has been arranged for the afternoon, with Mrs. Julia B. Phelps, state vice-president, as the principal speaker.

PICNIC AND BOOK REVIEW AT HOME OF DR. BROWN

Social Time, Luncheon and Interesting Discussions In Behalf of Guests

A happy group of Presbyterian ladies gathered together Tuesday on the spacious grounds of the home of Dr. Laura Brown at Sixth and Grandview avenue, which was opened to them for a picnic and book review.

The guests assembled at 10 o'clock and after a social half hour Mrs. George McDill, president of the Missionary society, called the meeting to order and presented the business of the day and a review of "The Bible and Missions" by Helen Barrett Montgomery, which is published by the Central committee of the United Study of Foreign Missions.

Mrs. McDill announced the plan of exposition of six chapters by the following: Mrs. J. R. Baker, Mrs. Glenn Porter, Mrs. A. W. Van Loon, Mrs. George R. Andrews, Mrs. J. A. Newton and Mrs. George McDill.

Interesting Discussions

They gave intensely interesting discussions of the chapters concerning the subject of "Missions in the Old and New Testament," "The Translation of the Book," "The Travels and Influence of the Book" and the "Leaves of the Tree for the Healing of the Nations."

At noon a delicious cafeteria luncheon was served by Mrs. J. H. Culver, Mrs. M. P. Harrison and Mrs. Howard Lennox. At the close of the day the women bave a hearty chautauqua salute and rounds of applause for the speakers, for Mrs. Culver's luncheon committee, and for Dr. Brown who entertained so delightfully.

Mrs. C. W. Houston Chosen as Chairman

Mrs. C. W. Houston of 440 West Myrtle street, who has been appointed chairman of the Glendale plants and flowers committee in connection with the San Fernando Valley fair, attended a meeting of the chairmen of committees from the eleven different towns and cities in San Fernando valley who will compete for prizes for the best plants and flowers raised by the women of this valley. These entries will be placed on exhibition in the "Women's Tent," which will have four large divisions, plants and flowers, culinary, arts and needlework.

At yesterday's meeting, which was held at the home of Mrs. C. W. Bowerman at Lankershim, plans were formulated as to the kinds of flowers and plants to be exhibited and the manner in which they will be displayed.

Miss Esther Veitch Hostess to Society

The members of the Girl's Friendly Society of St. Mark's church were the guests last night of Miss Esther Veitch and Miss Mattie Veitch of 445 Oak street. Each girl came prepared to illustrate the name of some play or book, which provided considerable entertainment for the other members. Music and singing also provided diversions for the evening. Dainty refreshments were served.

At this time it was decided that six of the members would take advantage of spending a week-end some time in August at the Girls' Friendly Holiday House at Hermosa Beach. Last night's meeting closed the work for the season, the society adjourning for the month of August to meet again the first of September.

TWO AMERICANS KILLED IN ACCIDENT IN GERMANY

COBLENZ, July 27.—Lieutenant Carl Gunther and Corporal L. O. Rogers of the American army of occupation, were killed near here today when their airplane crashed. Gunther's home was at Frankfort, Indiana, and Rogers lived in Hillsboro, Texas.

HEALTH OFFICERS, RED CROSS TO HOLD CONFERENCE

WASHINGTON, July 27.—Health officers from practically all southern states will meet in Washington with representatives of the United States health service and officers of the Red Cross to discuss the pellagra situation in the south, it was stated today at the offices of Surgeon General Cummings of the health service. The conference will be held within a few days.

RAILROAD RELIEF LEGISLATION IS TO BE DELAYED

WASHINGTON, July 27.—A definite program for congress was being put in shape today by leaders, following a conference at the White House last night at which the details were settled. It was decided that the railroad relief legislation asked yesterday by President Harding can wait, there being no immediate need of it, in spite of the fact that Harding thought the need urgent enough to send a special message urging prompt action.

EUGENE DEBS CASE IS BEING CONSIDERED BY HARDING

WASHINGTON, July 27.—President Harding today had a succession of appointments with organizations and persons who have been urging him to release Eugene V. Debs and other political prisoners. Announcement of the appointments followed reports that Debs and possibly the others convicted of violations of war time laws are to be released soon. Officials refused to comment on the reports, but it was learned that the Debs case has been before them in the last few days.

U. S. SENDS COMMUNICATION TO SOVIET GOVERNMENT

WASHINGTON, July 27.—The United States government has sent a communication to the soviet government regarding the holding in prison of seven Americans in Russia, it was understood today. The communication, which is from Secretary Hughes, is a statement of the policy of the American government on the question of the imprisonment of Americans and the furnishing of relief to famine-stricken Russia much along the lines of Secretary Hoover's recent telegram to Maxim Gorky.

JAPAN ACCEPTS PRESIDENT HARDING'S INVITATION

WASHINGTON, July 27.—Japan has accepted the American proposal for a discussion of Pacific and far eastern problems in the Washington disarmament conference, it was learned authoritatively today. The Japanese reply to President Harding's invitation, however, is understood to contain important qualifications. The reply, handed to Edward Bell, charge of the American embassy in Tokio, last night, was received by the state department today. The message is lengthy and will not be made public for some time, it was stated.

DE VALERA CALLS CONFERENCE OF IRISH LEADERS

LONDON, July 27.—"President" De Valera has called a conference of Irish republican army leaders and his chief supporters to a conference in Dublin on the British peace proposals, it was learned authoritatively today. The conference was regarded as a favorable sign here, indicating that sufficient approval has been obtained to warrant extending the circle of those to whom the terms have been submitted. It was believed that those Dail Eireann members who are at large already have met to consider the British offer and to pass on them more or less formally. Opposition is known to have developed, but there was a growing belief that De Valera will be able to overcome it, at least to the extent of obtaining approval of counter suggestions.

BAD BREAK IN UNITED DRUG IS FEATURE OF EXCHANGE

NEW YORK, July 27.—A bad break in United Drug featured the opening of the stock market here today. The stock, which dropped yesterday on reports that directors were expected to take adverse action on dividents, opened today at 69, off 5¼, and soon dropped to 67. United States Steel responded to the quarterly earnings statement, which was better than had been expected, by advancing ½ to 73½. American Woolen was up ¼ at 72. Rails appeared to have discounted President Harding's message and there was little activity in the group during the early part of the session. Some dividend paying carriers were slightly lower. Opening prices included: Central Leather 34½, off ½; Retail Stores 55¾, up ⅝; Studebaker 76¾, off ¼; Bethlehem B 47½, off ⅜; Baldwin 78½, up ⅜; Kelly Springfield 41½, off ⅛; A. T. & T. 105⅛, unchanged; Asphalt 50¼, up ¼; Mexican Petroleum 103¾, unchanged. The list continued reactionary, United Drug dropping to 65½ during the forenoon session. No statement has been issued as to the real situation in the company. There was heavy selling in Central Leather, based on the financial statement for the second quarter, which showed a deficit of nearly $6,250,000.

LOGICAL CULTURAL PLACE OF WEST, IT IS CLAIMED

Albert N. Short, Prominent In Musical World, Has Project Under Way

Plans to make Glendale a musical center of nation-wide importance were revealed at a luncheon given here this noon by the board of directors of the Citizens' Building corporation which is putting up a two story structure to house the Chamber of Commerce headquarters.

The meeting today was held at the Crown Cafe and the prominent business men present heard Albert N. Short, managing director of the California Academy of Music, tell of that institution's plans in leasing studio rooms and the second floor auditorium of the new Chamber of Commerce building.

"Other cities of the south have long ago established a name for themselves for some particular activity," said Mr. Short. "Burbank is an industrial center, Long Beach is given over to oil and industries, Riverside and San Bernardino are fruit and agricultural centers, and Pasadena is a winter resort. It has remained for Glendale, the city of homes, to establish itself as the educational and cultural center of southern California.

"The recent activities of the women's clubs and the more recent formation of the Music Club has focused the attention of many cultured men and women upon Glendale as a most desirable home community and one in which the finer side of life is more fully appreciated than in any city of southern California.

"Indeed, Glendale, with its artistic setting and ideal surroundings make it the logical cultural center of the west, and given the proper encouragement there is every reason to believe that it can attain a national reputation which will make it the mecca of the thousands throughout Americ who have long sought an environment of harmony and beauty in which to pursue their studies of the seven arts."

In response to an inquiry as to why Glendale was selected as the future home of the California Academy of Music, Mr. Short stated that

Junior Auxiliary to Meet, Form Orchestra

One of the new ventures undertaken by the Junior auxiliary of the Glendale Music club is the forming of an orchestra, which will meet for the first time Thursday night, July 28, at the home of the auxiliary president, Miss Veda Knapp, 214 West Chestnut street. Mrs. Dora Gibson will be the director.

Group work is another worth while feature which has been undertaken by this organization. It is hoped before long that a chorus will be formed.

Members of the Junior auxiliary are also working on a program to be presented at Thornycroft in the near future.

C. H. Thompson Family Is Enjoying Vacation

Word has been received from C. H. Thompson of 348 Milford street to the effect that his family which left Glendale three weeks ago for an extensive two-months' automobile tour through Oregon and Washington, has reached Klamath Falls, Ore., where they are visiting relatives. They will leave that place this week to continue northward to various cities and towns in Washington.

The party will return to Glendale about September 1.

Ralph Kenneth Leaves With Sister on Trip

Ralph Kenneth accompanied by his sister, Miss Ruth Kenneth of 326 West Harvard street are leaving Friday on a four months' trip to Bowen, Illinois, their former home, where they will visit relatives and friends. They plan to take about two weeks for the trip east, stopping at San Francisco and Salt Lake and other places for short visits. During their absence Mr. and Mrs. H. T. Stevens and daughter will occupy their home.

In Southern California

Gains Health, Loses Valuables

Returning home from Europe where he had gone to regain his health following an operation, William D. Taylor, prominent motion picture director, discovered that his private secretary had decamped with several thousand dollars' worth of his private effects and used his name on a $4,500 check, it was learned today.

Detectives E. R. Cato and William Cahill of the Los Angeles force obtained a felony warrant for the arrest of Taylor's former employee, whose name is withheld, and general search for the man was instituted today.

Did You Eat Your Share?

A hundred and fifty-five million cantaloupes were shipped out of the Imperial valley this year.

This estimate was made today by F. S. McGinnis, general passenger agent of the Southern Pacific, as the season's last shipments are being dispatched.

In all, according to McGinnis, 10,500 cars of melons were shipped from the valley over the Southern Pacific and the Inter-California.

Sentenced to Be Hanged

Manuel Manriquez, Mexican, will hang at San Quentin on September 30, 1921.

Manriquez was found guilty of killing a Chinese storekeeper in an attempted holdup at El Centro, July 15. He was sentenced by Judge Marvin W. Conklin.

Go in Pairs for Pears

Free pear pies for visitors will feature the annual pear day celebration to be held at Littlerock in the Antelope valley on Saturday, August 6. Now if you don't know where to go to get the pies, Littlerock lies eight miles east of Palmdale in the center of a pear belt.

Come in L. A. Rather Often

Los Angeles has its "pair" record, too. Twins are born in that city on the average of once every four days. "Doc" Stork is beating his best play with "pairs" in years gone by, according to the vital statistics.

Arrested on Murder Charge

With the arrest of Theodore West in Los Angeles, the mystery death of Lem Smith, Texas oil magnate, at Oatman, Ariz., last week was cleared and the accused man is being taken back to face murder charges. He claims he shot while being robbed.

Surprised, Pleased, Aroused

When Dr. Herbert H. Fisher, Los Angeles pastor, received like a bolt from the blue sky a letter containing an honorary degree of L.L.D. from the Continental university, Denver, he was both surprised and pleased.

When, in subsequent mail, he received a statement from the university asking for -25 to "cover" the degree, he held a little conference with postoffice inspectors.

Today Dr. Fisher was informed that the president, registrar and sundry other officials of the Denver "university" are out on bail, attempting to raise money to refund checks to numerous other divines all over the country, who, like Dr. Fisher, received honorary degrees unsolicited and closely followed by printed forms marked "please remit."

John McGraw Is Out Under Bail of $3000

PITTSBURGH, Pa., July 27.—John McGraw, pugnacious pilot of the New York Giants, was at liberty under $3,000 bail today, following the serving of a capias in a $20,000 suit brought against him here by George M. Duffy, who alleges McGraw struck him during an argument.

Duffy alleged the attack occurred during the Giants' last trip here on June 3. He said he was invited by an official of the New York club to his rooms in the Schenley hotel. While there, he said, he discovered McGraw in an intoxicated condition. He endeavored to aid McGraw and was rendered unconscious by a blow.

KEEN RIVALRY OVER RACE TO SECURE FIRST BICYCLE

Boys and Girls Find That It's Easy to Obtain New Subscriptions

With a picture of a $65 Harley-Davidson bicycle, better equipped than the ordinary wheel, indelibly placed in their minds, two score small business men and women are struggling hard to be the first to win this prize given by The Glendale Evening News for twenty yearly subscriptions or their equivalent.

The days are warm, but the most persistent are getting out at 7:30 o'clock in the morning and steadily keep soliciting until 6:30 in the evening. They report more success before 10 a. m. and after 4 p. m. than any other time in the day.

When to Visit Office

In order that they may have the advantage of reporting during the middle of the day when it is too warm to successfully canvass from house to house, A. T. Blanford, manager of the subscription club will be in The Glendale Evening News office from 1 to 5 o'clock each afternoon.

All new entrants—for there is as many bicycles as there are boys and girls who will get twenty new yearly subscribers—should apply between those hours at 139 South Brand for the necessary subscription blanks.

Plant Trees In Honor of Hero Dead, Plan

L. J. Casbon of 1917 Gardena, is in receipt of a newspaper from South Bend, Ind., which is his former home town, telling of the recent organization of the St. Joseph County's Memorial Tree association. The purpose of the society is to plant trees along a county highway, each tree to be named after a former service man who was killed in the world war.

The trees, which are to be of the sturdiest variety, will live more than 100 years and "will reflect honor upon the memory of those lads who gave their all for their country."

Over 4000 memory trees are to be planted in St. Joseph county.

Mr. Casbon is of the opinion that Los Angeles and other California counties should adopt this method of establishing a memorial to their hero dead. He claims that this would be the best and most animated memorial that can be dedicated to the boys.

PHOENIX PEOPLE HERE

Mr. and Mrs. Charles C. Toney and daughter, Miss Gladys Toney of Los Angeles, Dr. and Mrs. F. G. Rogers and daughter, Miss Islay Rogers of Phoenix, Arizona, were in Glendale Tuesday visiting in the home of Mrs. John W. Sharpe, 1141 East Elk avenue.

Albert N. Short, Prominent In Musical World, Has Project Under Way

(Continued from Page 1)

after a thorough investigation of the various cities of California he and his associates were convinced Glendale possessed the nucleus for the establishment of a great musical center, and that his plans had met with hearty reception from Mayor Robinson and the directors of the Chamber of Commerce.

In speaking of the academy itself Mr. Short said: "The California Academy of Music is bringing to Glendale a musical institution that is second to none in the state. It will give the residents of this city an opportunity to enjoy the instruction of music authorities, men and women who have not only a thorough musical education themselves, but who know how to impart the knowledge to others. In fact there is no institution in all America that can give its students a more thorough musical education than can be secured from our academy here in Glendale.

"We have given careful consideration to the order and completeness of our curriculum. The personnel of our organization has been a matter of great moment, and here in Glendale we found three musicians of exceptional talent and alibity to head various departments."

Names of Local Teachers

The three referred to are Miss Elsa Breidt, who will head the pianoforte department. She has been a resident here for several years. Pearl G. Curran, another instructor in piano, and Mrs. Hernando Lee, who specialized in theory and pedagogy. More will be heard of these artistes as the school becomes more of a local institution.

Others of the faculty include Julius Bierlich, master of the violin; Miss Margaret Goetz, head of the vocal department; Albert Tufts, principal in the pipe organ department. Each of these will have their assistants so it can be understood easily that months will be required to work out the plans in their entirety, according to Mr. Short.

Cecil Chase Hostess to Girl Scouts Troop

Glendale Troop No. 1, Girl Scouts of America, met Tuesday afternoon at the home of Cecil Chase, 1400 Riverdale Drive. The scout ceremony was followed by a pleasant, social hour, Mrs. A. S. Chase serving dainty refreshments at the close. The girls who reported were Dorothy Houston, Evelyn Hunt, Evelyn Traver, Lucile Allen, Winifred Parker, Careta Walker, Margaret Longley, Amy Bainbridge, Lina Borthick and Cecil Chase. Miss Gladys Sharpe, the captain, presided at the meeting.

C. OF C. DIRECTORS INDORSE PROJECT FOR SOUTHLAND

All Year 'Round Movement Given Support; Advertise In Many Newspapers

Southern California—All Year 'Round.

This great movement, which already has blossomed into a $300,000 club, was indorsed yesterday on motion of Daniel Campbell, seconded by Peter L. Ferry by the board of directors of the Glendale Chamber of Commerce.

This action was taken after Daniel J. Jones, a secretary of the All Year 'Round club, with headquarters in Los Angeles, addressed the board on the benefits already being derived from a campaign of advertising carried on this summer in the warmer southern centers.

"We have made people to think this is a good place in winter. It is, but a canvass of the people who reside here all the year 'round shows that a majority prefer the summer.

Big Advertising Campaign

"Now what would the rest of the world think if we told them that? We are telling them and they are going to come here now, just as they have in the winter.

"Our executive committee has authorized the expenditure of $50,000 for advertisements in forty-two newspapers of thirty-three cities in the south and southwest. Today there are 499 replies in the files of the Los Angeles Chamber of Commerce asking about southern California's climate in summer.

"Next year we expect to reach every city in the United States and Canada, our $300,000 fund calling for a three years' program of exploitation. The purpose of our advertising is to get people to visit here, for practically everyone of you first came here on a visit. And there is plenty of room for all who come here, too, when you consider that only three per cent of our hydro-electric power has been developed. There is 97 per cent for more homes and more factories where conditions are ideal.

Bay Cities Raise Million

"San Francisco and the bay cities have raised $1,000,000 to do the very thing that we have done, for I have read appeals covering six pages of closely typewritten paper which admit Los Angeles has left them trailing in the dust of progress and prosperity."

Mr. Jones cited what San Bernardino, Riverside, Ventura, Orange and Santa Barbara counties are doing,—each raising $5000 for the fund. He told of Long Beach and Pasadena each setting a quota of $10,000 and while not asking the financial support of Glendale at this time, but wanted the endorsement of the local Chamber of Commerce, which he got.

In demonstrating what similar campaigns had done for southern California, Mr. Jones told of $180,000 spent by San Diego bringing 8,000 new residents who spent millions for homes last year. From the tenor of several questions asked of the speaker by members of the board, the "All Year 'Round" idea meets with favor wherever it is presented.

Interesting Information

Some interesting information regarding Los Angeles' growth was given out by Mr. Jones who drove home the following five points:

1. It took one hundred years for Los Angeles to gain a population of 3,000 people.

2. Denver, Colo., is no mean city and one of our prominent places, but the fact remains that Los Angeles grew more the last ten years than Denver has increased since 1884, according to the last federal census.

3. Los Angeles county exceeds in wealth and population the entire state of Colorado.

4. Los Angeles county exceeds in population the following states:
Arizona, Florida, Idaho, Maine, Nevada, New Hampshire, New Mexico, North Dakota, Oregon, Rhode Island, South Dakota, Utah, Vermont, Wyoming.

5. Los Angeles county exceeds in assessed valuation of wealth, the following states:
Alabama, Arizona, Arkansas, Colorado, Connecticut, Florida, Georgia, Idaho, Kentucky, Maine, Maryland, Nebraska, Nevada, New Hampshire, New Mexico, North Dakota, Oregon, North Carolina, Rhode Island, South Carolina, South Dakota, Utah, Vermont, Virginia, Washington, Wyoming.

Aged Woman Asserts Woolens Not Required

SAN FRANCISCO, July 27.—Sage advice against sheer silks and low-cut shirt waists, generally is expected from the lips of the aged.

But Mrs. Mary Martin Davis, on whose birthday cake the one hundred first candle burned today, reversed that order of things.

"I never wore a woolen undergarment in my life," Mrs. Davis proudly declared.

And she added that for the last twelve years no steam has flown through the radiator in her apartment.

Yo-Hoy, Mates, Here's Sad 'Sea' Tale; It Smells of Fresh Water

Jerry Erickson and "Sparks" Olson, cousins, who reside at 3732 Revere avenue in the Atwater tract, tell a tale of sad waves at Westlake park that must have made Ol' Man High Cost of Living smile.

Sunday afternoon they rented a boat for three hours and "shoved off" for a cruise in which they swapped yarns about their experiences in the navy during the war. Evening came and the darkening shadows of night made them drowsy as they lazily floated along the shores of the miniature sea.

It was 'way after 10 o'clock when the park attendants went out searching for the missing boat, awakened them and gruffly said:

"Two hours and a half overdue—that will cost you $2.50."

"A rather expensive nap," said Jerry to "Sparks" as they sped homeward on the Pacific Electric.

Mrs. Josephine Hedge Is Organizing Camp

Mrs. Josephine Hedge, deputy of the Royal Neighbors of America, is stopping at the Hotel Victoria, 119½ North Brand boulevard, this week. Mrs. Hedge is organizing a local camp of the society, and already members of the Royal Neighbors living in Glendale, who hold memberships in eastern camps but have signified their intention of transferring to the new camp, are large enough in number to give the new camp a fine start.

In December, 1888, sixteen women met in Council Bluffs, Iowa, and formed a club, called the Ladies' Auxiliary to Camp 171, Modern Woodmen of America. Steady growth and the desire to broaden the scope of the club resulted in the formation of a woman's beneficiary society, known as the Royal Neighbors of America, chartered under the laws of the state of Illinois in March, 1885.

Operated entirely by women, nonsectarian in belief, and composed of white women of good moral character from 16 to 50 years of age, whether related to Modern Woodmen or not, and beneficial members of the Modern Woodmen of America, the society through its local camps offers much that marks for loyalty, unbounded fraternalism and low cost insurance protection.

HAROLD LLOYD AND COMPANY TONIGHT AT GLENDALE

Noted Comedian to Preview Latest Release; Public Will Be Admitted

Harold Lloyd's here again tonight. The king-pin of comedies and his entire company will preview his latest production at the Glendale theatre tonight.

"Many a Slip" is the title for the two reels of l'affable situations woven into an unusually interesting plot which is absolutely "something new."

Never before has this picture been shown. It comes direct from the cutting rooms of the Lloyd studio, and it will be run only once—at the close of the first show tonight—in order that the print will not be damaged by wear and tear.

Of course, the public is invited. Watch Glendale respond to this treat.

"The Breaking Point," the latest Hodkinson release, which is the feature at the Glendale theatre today and tomorrow shows Bessie Barriscale at the height of emotional acting. Particularly noteworthy is her portrayal of the scene in the picture in which her daughter is forcibly taken from her. Seldom have such dramatic qualities been expressed as in the scene immediately following this, in which Miss Barriscale registers suppressed emotion together with determination in such a way that it causes distinct heart throbs among the audience.

A Sunshine comedy, "The Janitors," a Gump cartoon, "Ship Ahoy" and the latest Pathe News fill the bill to the extent of eleven reels. "Nuff sed" about some show!

Funeral Service for Rev. Warner Thursday

Funeral services for Rev. Sylvanus Bucklin Warner, who passed away suddenly Sunday night, July 24, 1921, will be held Thursday afternoon at 2 o'clock at the Jewel City Undertaking parlors. Rev. Clyde M. Crist will conduct the services and interment will be made in Forest Lawn.

Indiana State Society Will Picnic July 30

The annual basket picnic of the Southern California Indiana State Society will take place next Saturday, July 30, at the Exposition park picnic grounds in Los Angeles. A large number of Hoosiers is expected to attend the affair, which is predicted by the society to be the most successful and largest attended gathering that has ever been conducted in Los Angeles county.

The picnic will be an all-day affair, a program consisting of music, speeches and various sporting events having been arranged by Miss Goldie B. Young and C. D. Lawler, who are in charge of the entertainment. The principal speaker of the day will be V. T. Irwin, who has recently been elected president of the organization.

All former Indianans and their friends are cordially invited to be present "with a basket."

Thomas Morris Plans to Open New Grocery

Glendale is soon to have another grocery store. It will be located on the southwest corner of Elk avenue and Everett street and will be known as Morris' Family Grocery. Thomas Morris, who is the owner of the new project, is also building a home in Glendale, where he and his wife intend to make their permanent home.

Mr. and Mrs. Morris are now living with friends in Monrovia, where they located several months ago upon returning from a trip to Oklahoma. Prior to that they had been residents of southern California for over thirty years.

The store building, which is being built by M. L. Kearley, will be completed within two weeks.

A. Gelmor Obtains a Fine Stock of Cloth

As a result of the co-operation of the Detmer Woolen Mills and other large manufacturers of tailored cloth, A. Gelmor of 138 South Brand boulevard, will be enabled to present to the public within the next few days a very large line of fabrics.

The western representative of the Detmer company in writing to Mr. Gelmor, said: "You can't keep a good man down," and with this and other encouragement Mr. Gelmor says he will be in a position to retrieve the losses incurred through the recent looting of his store.

'DEAR KATIE' GIVEN LATEST BULLETIN ABOUT GARDEN

Many Things Can Be Raised in Back Yard, According to Strivin' Reporter

Glendale, July 27, 1921.

Dear Katie:—You know as how for a long time I been tellin' you about our garden of supreme loveliness, so today the boss says as how I better come home and write a artikle about it and whether does it pay to have a garden and why not.

Well, everybody in Glendale has got a garden, Katie, just the same as in Wisconsin everybody's got cold feet in January.

Out here, in our garden, we got roses, sweet peas, ocean breezes, dalias, daisies, oleanders, wheel barrow, carnations, bergonias, gophers, mongolians, ferns and the neighbors' chickens.

We got lemon, orange and grapefruit trees. Fruit all green now like new arrivals from Missouri, but we knock lemons and oranges off trees next New Year's while you knock icicles off hen house in Wisconsin.

We got lots of peaches, but California peach crop is big failure this year, account of pirates in Atlantic ocean.

One Nut-Tree Kind

We got 4 fig trees. Figs is good to eat. Better than doctor bills. One walnut tree. One nut (on tree) now. We got one banana bush, which the same is nice to look at. No bananas on bush yet.

Other trees in our garden, Katie, is loquat, pepper, bamboo, nectarine, tangerine, tambourine and yukalala.

There's a lot more, but I ain't got no botany book, but a botany professor could find plenty of innocent pastime for whole lifetime in California.

But Katie, we been havin' a awful time with our garden in the last couple weeks on account of a hot spell of weather, which the same of course is very unusual for these parts. Our garden looks as dry as a Mack Sennett bathin' suit and the sun has been so hot that the popcorn has popped right off the cob. The birds ate our apricots, the plums is full of worms, the string beans didn't string, the cucumbers curled up like they had the cramps and the neighbors' chickens picked the lettuce and the gophers have berried everything except the short cake.

Somebody Mixed Them

Last spring we planted some mush melon seeds and up come 2 punkins and 1 squash so far.

Where we planted potatoes, I guess the gophers decided as how they better build a post office, so that all fell through.

So far this year, we got stuff to eat outa our garden like as follows: Five cents worth of carrots, 2 cucumbers, 9 radishes, one handfull of spinach, 39 strawberries, 1-2 squash and one of the neighbor's chickens.

All of which the same amounts to about $1200.00 in Mexican nickels, but which is only 90 cents in real money, but seein' as how we only set out $9.00 worth of seeds and plants with which to fight the cost of high living, we still got the garden left anyhow.

All of which ain't includin' as how we kept a lot of gophers and other insects from starvin' to death.

Well Katie, as ye sew, so shall ye weep, as the old sayin' is, but anyhow I guess it's easier to make love in the moonlight than it is to make a livin' for two out of a garden.

And if so, why not?

Yours, either way,
E. C. HALE.

REAL THRILLS ARE PROVIDED WITH THIS PICTURE

'The Bait' Is Love Story and Crook Plot Done by Maurice Tourneur

The Bait—a woman, young and fair;
The Fisherman—a master-crook;
The Fish,—a youthful millionaire,
Unconscious of the hidden hook.

The lure was set; the Fish was keen;
The Fisher smiled—then quick dismay!
The hook alone was to be seen;
The tempting Bait had slipped away. —R. H.

You don't have to see the serials if you want real movie thrills. In Maurice Tourneur's "The Bait," playing at the Palace Grand today, the breath-taking scenes are mingled with a love story and a plot that is thoroughly workmanlike.

Hope Hampton, the beauty who recently came out of Texas and leaped to almost immediate fame on the screen, has the leading role. She is "The Bait" dangled before a millionaire-fish by a crook fisherman.

In Role of Shop Girl

Miss Hampton has the role of a shop-girl, "framed" by a master-crook and accused of a crime which she didn't commit. He aids her to escape and thereafter poses as her protector, while he is endeavoring to secure a marriage between her and his millionaire-victim, so that he may blackmail the latter. But she learns her guardian's true character, and, after a series of thrilling episodes, is able to rid herself of his influence and find real happiness.

As a special added attraction, Charlie Chaplin in "Easy Street," one of those pictures in which the famous comedian deserted the underslung clothing and walking stick, will be appreciated by humor hunters. Tomorrow George Beban as "One Man in a Million" is the feature.

Albert Blanford, Jr., Has First Birthday

Sunday, July 24 was the first birthday of Albert Blanford, Jr., son of Mr. and Mrs. Albert Blanford of 546 West California street and the little fellow had quite a party, which included a birthday cake and all the other things that go to make a birthday the nicest day in the year. Albert is already showing signs of athletic prowess, and as his father is physical director of the Intermediate school boys, it is not surprising. Although he is only one year old he has already shot off firecrackers and pitched a ball, and would have entered the bicycle club of The Evening News if his relationship to his father, who is in charge of the club had not debarred him.

Nebraska Folk Gather for Picnic August 6

Nebraskans will enjoy an all-day picnic at Bixby park, Long Beach, Saturday, August 6, under the auspices of the Nebraska Association of Southern California. The program will include short addresses, community songs and a reunion of Nebraska University Alumni. Hot coffee will be provided for all picnickers.

Body of Dr. Stone Found; His Wife Is Badly Hurt by Fall

BANFF, Alberta, July 27.—The lure of the Canadian Rockies today claimed the life of Dr. W. E. Stone, president of Purdue university and one of the country's leading educators.

The body of Dr. Stone was found jammed between two sharp juttings of rock at the base of Mount Aenon. He had fallen into the crevice while attempting to rescue his wife.

Mrs. Stone was found seriously injured lying at the foot of the crevice. Mrs. Stone was rushed to an emergency hospital at Camp Assiniboine and a corps of doctors and nurses sent from here ministered to her. Physicians said she may recover.

The body of Dr. Stone was found Sunday. It took nearly an entire day to remove it from the crevice and guides from Camp Assiniboine did not return here with the news until late last night. The brief word reaching here from the guides was a message telling of heroism and tragedy.

Miss Mildred McKee Honored at Gathering

A very interesting meeting of the Daughters of Veterans, of which Mrs. Cora Jones is president, was held last night in the Odd Fellows' hall. Following the business meeting a social hour was enjoyed. This was in honor of Miss Mildred McKee, one of the color bearers, who leaves next week for Berkeley. The social hour was in charge of Mrs. Daphane Lyons. Brick ice cream and home made cake were enjoyed by those present, after which informal dancing and social intercourse occupied the remainder of the evening.

Girl Is Victim of Grief, Asserts Sister

Marian Locke, Los Angeles girl who was found yesterday wandering in Verdugo Woodlands with an apparent lapse of memory, is a victim of grieving for her sister, who died three years ago. This is what her mother, Mrs. E. E. Opperman of Los Angeles, said upon the girl's return home. Only a letter purported to have come from the sister, Sigrid, calmed the amnesia sufferer, it is said.

The doctor states that she will have to recover her memory by degrees and go through the shock of the sister's death once again. This Mrs. Opperman fears will prove fatal to the girl.

The Athletics and the Tigers battled ten innings to a 3 to 3 draw. Rain stopped the game.

Hornsby's error in the tenth inning with singles by Williams and Parkinson allowed the Phils to beat the Cards, 8 to 7.

Judge's single, a pass to Rice and Miller's double were the undoing of Red Faber, the Sox losing to Washington, 2 to 0.

rado boulevard, is to be a three-story structure, 85 feet wide and 95 feet long. The cost is given at $75,000. The plan of the members of the Christian church is to make the new building principally an educational plant, with five separate departmental auditoriums for the Sunday school. The church will have a seating capacity of 850 people. The building committee is composed of Floyd Mercer, W. B. Kirk, John M. Ray, H. B. Miller, G. F. Staub, R. P. Jodon, F. L. Thompson, Lee Kaster, Mrs. A. K. Crawford and Mrs. E. H. Learned.

Congregational Church

Blake Franklin, chairman; C. B. Guthrie, E. D. Yard, Thomas White and Hartley Shaw are the members of the Congregational church building committee, which body is planning on the erection within the next few months of a $60,000 house of worship, to be built at the present church site at Wilson and Central avenues. The structure will be modern in every particular, and will have an auditorium seating 700 people. Carlton Winslow is the architect.

Seventh-day Adventists

The Seventh-day Adventists of the community have recently begun the building of a $6,000 addition to their eleven room school building at 226 North Isabel street. This will be the third unit of the institution that has been built in the last few years, and will complete the originally planned twelve grade academy.

Glendale Elks Club

A $9,000 addition to their present $75,000 home is the sum of the actual building now going on at the Elks' club rooms on Colorado boulevard. The addition comprises the completion of the third story, which heretofore has not been occupied.

In making ready for the building plans of the future the Elks have recently purchased two lots on Elk avenue, with a frontage of eighty feet. Eventually this will be the site of a large auditorium and Elks hall.

Tuesday Afternoon Club

Although the members of the Tuesday Afternoon club have not set a definite date for the beginning of their proposed new home, they expect to erect a large and spacious hall sometime this year. It will be located on the southeast corner of Lexington drive and Brand boulevard, where the club owns three 50 by 150 lots fronting on Brand.

Willard Dealers Will Meet In Los Angeles

Dealers in Willard storage batteries from all parts of California are to gather in Los Angeles Thursday, July 24, where a state convention will be held and where the participants will be addressed by a representative of the factory. The meeting will feature an interexchange of ideas between factory men and those on the firing line.

The factory representatives will place particular emphasis on the threaded rubber insulation feature of the latest models and on the dealer helps and co-operation.
